

The Gospel Mission; Assignment 3

“Following a conversation you heard that God is punishing the world with Corona Virus. Counter this assertion by explaining; what Jesus did, explaining the goodness of God from scriptures, making a defence the sickness is not from God explaining why the world is not being judged”.

Heb 1:2 Hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds;

Heb 1:3 Who being the brightness of his glory, and the express image of his person, and upholding all things by the word of his power, when he had by himself purged our sins, sat down on the right hand of the Majesty on high;

Col 1:14 Who is the image of the invisible God, the firstborn of every creature:

We see that Jesus is expression of the father, i.e. God revealed himself to us in his son Jesus, that'll mean that Jesus would show us the character and the nature of God.

Acts 10:38 How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good and healing all that were oppressed of the devil; for God was with him.

We see that Jesus went about healing the sick, and the oppressions of the devil. This shows us the character of God; that he is a healer. God anointed Jesus to heal; God endorsed what Jesus was doing because he empowered him to do so. This shows us that God is a healer, because anytime Jesus was not found praying or preaching he was always healing the sick.

(Luk 11:15) But some of them said, He casteth out devils through Beelzebub the chief of the devils.

(Luk 11:16) And others, tempting him, sought of him a sign from heaven.

(Luk 11:17) But he, knowing their thoughts, said unto them, every kingdom divided against itself is brought to desolation; and a house divided against a house falleth.

(Luk 11:18) If Satan also be divided against himself, how shall his kingdom stand? because ye say that I cast out devils through Beelzebub.

(Luk 11:19) And if I by Beelzebub cast out devils, by whom do your sons cast them out? Therefore shall they be your judges.

(Luk 11:20) But if I with the finger of God cast out devils, no doubt the kingdom of God is come upon you.

From the above scriptures we see that Jesus was accused of casting demons with the power of the devil, but his response in vs. 17-20 shows us that there was no way Jesus could have been partnering with the devil, the fact that he was destroying the works of the devil, in him healing oppressed people means that he wasn't working with the devil.

This shows us that there was no way God would heal us and still inflict us with same sicknesses. We see that God is the healer and not the devil, and same shows that hence he cannot provide the sicknesses that he heals us from.

Jas 1:17 Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning.

This shows us Gods nature that he is the giver of everything Good and nothing evil and dark can be found in him. Sicknesses are not and cannot be from him because he is the Father of lights. Corona virus can only be from God if it's good and perfect, well it's not, so it's definitely not from God.

Follow me carefully; you see God in flesh, Christ God revealed went about healing the sick, this shows us Gods heart, that he is particular about healing. That's the nature of God; he is a Good God that's why all that can come from him is good and perfect.
